

WINTER *in the gardens*

A SENSORY HUNT THROUGH THE WINTER GARDENS

Explore the Reserve with your sensory map this December. Feel the crisp red bark maple, velvety moss, and fuzzy magnolia buds. Inhale the fragrance of wintersweet and daphne, listen to trickling water, and taste the sourness of wood sorrel on this journey of sensory delights!

TOUCH

- A. *Magnolia x soulangeana* (saucer magnolia) - Mid Pond Entrance Road
- B. *Embrace* (Moss sculpture) - Bracken Meadow, past the Sheep Sheds
- C. *Acer griseum* (red bark maple) - Maple Lane
