A SENSORY HUNT THROUGH THE WINTER GARDENS

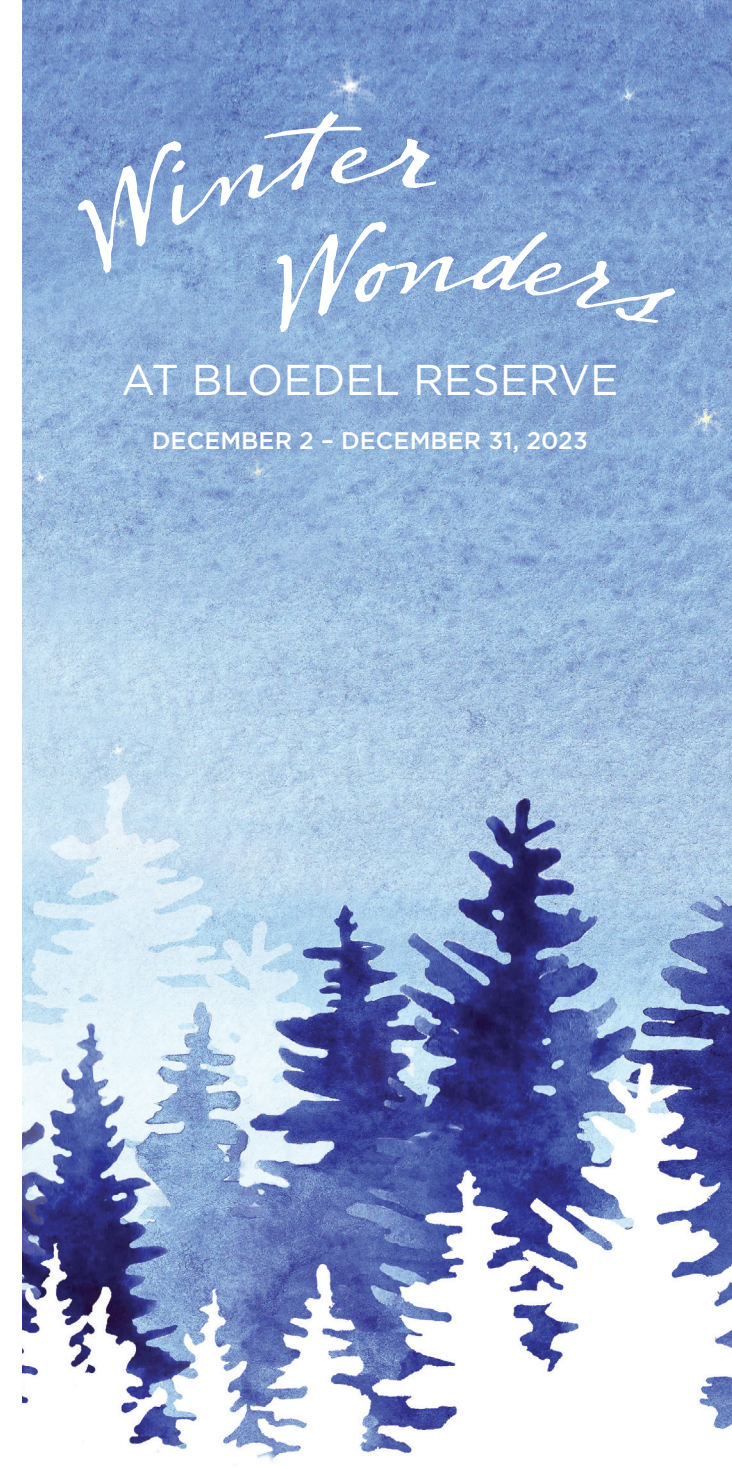

Explore the Reserve with your sensory guide this December. Feel the crisp paper birch, velvety moss, and fuzzy magnolia buds. Inhale the fragrance of cedar and daphne, listen to trickling water, and taste the sourness of wood sorrel on this journey of sensory delights! Pick up your guide at the Gatehouse or the Residence.

Visit the Residence for photo opportunities, Saturday Story Time, and holiday decor! Post your photos on Instagram @BloedelReserve and **#WinterWonders**
